

# **2019 Agriculture Container Recycling Program**

A FREE service for agricultural producers in NW Michigan

## **Where are the collection sites?**

- Wilbur-Ellis Co  
8075 US-31 Williamsburg, MI 49690
- Ellsworth Farmer's Exchange (Co-op)  
11900 Byers Rd. Ellsworth, MI 49729
- CHS Inc  
6766 E Traverse Hwy Traverse City, MI 49684
- Nutrien Ag Solutions  
13343 Pleasanton Hwy, Bear Lake, MI 49614

## **When can I drop off my ag containers?**

- August 19-26 You can drop off your materials during regular business hours at any collection site listed above during these dates. Rural Recycling Grinding will pick up containers on Tuesday, August 27.

## **One Additional Site: Drop off ONLY on August 27**

- Cherry Bay Orchards  
2801 N. Jacobson Rd. Suttons Bay, MI 49682  
This will be a ONE-DAY collection. You may drop off your containers between **8:00 am and 3:00 pm on August 27.**

## **What do I do to prepare the containers for recycling?**

- Triple rinse, remove caps, remove loose leaf labels (if possible), put in large/clear plastic bags OR string together 20-30 containers with twine – if the containers are not up to these standards, they will not be accepted.
- All non-refillable, high-density polyethylene (HDPE) plastic crop protection and specialty pesticide product containers in sizes up to and including 55 gallons are accepted.

\*\*\*We will have 1 final recycling collection date in 2019: October 18. Keep an eye out for future fliers about when you can drop off your containers for this collection date!

**Questions? Contact Lauren Silver ([lsilver@gtcd.org](mailto:lsilver@gtcd.org)) or Parker Ameal ([pameel@gtcd.org](mailto:pameel@gtcd.org)) at the Grand Traverse Conservation District. Ph: 231-941-0960 ext. 22 or 23**
