**Under the provisions of Part 91 of PA 451 1994, authority is hearby granted to the owner:**

Don Fedrigon
PO Box 36
Elk Rapids, MI 49629

**Zoned Community**

**contact soil erosion officer when dirt work begins and when site is stable - *requirement of permit***

**to undertake the following earth changes in Antrim County:**

construct home and garage - finish driveway, well and septic system

**Project located in:** **Township** Elk Rapids **Village:**
**property tax ID #:** 05-06-033-032-01
**Section:** 33 **T29 N R9 W**

**Directions for finding location:**

south from Elk Rapids on 31 to Elk Lake Road south to Arrowhead Drive east then north to parcel c about the 3rd lot from end

**Work to be done under authority of this permit is subject to the following special restrictions, limitations, and instructions:**

1 Elk Rapids Township has a buffer ordinance and any work within 25' of its shoreline requires permit from township
2 Wetlands have been delineated on this site, install silt fence outside the wetland line and maintain over course of permit, no sediment can wash into wetlands
3 Soil erosion is cause by storm water runoff. If you are getting erosion around home you need to consider installing storm water catchment to get runoff water to soak into the ground and not cause erosion (minimly temporary basins)
plan for stormwater control at the eave line to minimize erosion
4 homeowner must provide final landscaping plan
5 seed and straw mulch (or excelsior blanket) within 5 days of final grade

***(NOTE - STANDARD INSTRUCTIONS ON BACK OF PERMIT)***

**IT IS PROPERTY OWNER'S RESPONSIBILITY TO DETERMINE IF OTHER PERMITS ARE NEEDED**

**THIS PERMIT DOES NOT ALLEVIATE THE NEED FOR OTHER FEDERAL, STATE OR LOCAL PERMITS**

Project type: new home
Permit fee: $150
