First 100 pounds of waste are FREE, but there is a \$1 charge for every pound thereafter.

All pesticides and herbicides are FREE through the Michigan Clean Sweep Program.

All scrap tires are FREE through the MDEQ Scrap Tire Cleanup Grant (up to 10 per household; must be less than 4' tall and 12" wide).

Latex-based paints will have a \$1 charge per gallon-sized container no matter how much paint is in the container (1 gallon = \$1; 5 gallon = \$5).

Note— If dropping off waste for more than 1 household, a letter from the non-present waste generator with address will be required for proof.
